THE END

One month. One little month stands between you and the greatest innovation the comics world has ever known! I tried to tell you about it last month, but word got back to me that my message was somewhat altered before it went out. If you consider cut to bits, run through the shredder, and doused in indelible ink to be "somewhat altered."

What I was trying to tell you is how unbelievably special Harvey's adaptation of the Flintstones movie is going to be. And to see to it that my message goes out this time, I'm relaying this column via a super-secret NASA satellite directly from my desk to your comic book. No middle-man, just you, me, and all those stars. So, without further ado...

You'll need to use special glasses to read our DoubleVision adaptation of the Flintstones movie because there will be two pictures on the page. One will be of the actors and locations from the hit movie, and the other will be of the cartoon Flintstones! That's right, both versions of the Flintstones on the same page! Using the special glasses that come with each comic, you get to choose which Fred to look at. Look through the red lens, and you'll see the movie Flintstones. Look through the blue, you'll see the cartoon Flintstones. Look through both, and you'll get a headache. (I don't recommend that.) From me to you, this is the most outrageous thing to happen in comics since Kyrpton exploded.

Most comic book companies would settle for one spectacular event a month. But we haven't even gotten started. Because next month is also when we haul out our big guns: the premiere of Harvey's Hanna-Barbera line! For the first time in 20 years you can see all new comic books starring your favorite Hanna-Barbera characters, with fresh, exciting stories and artwork like you've never seen! First out of the starting gate are Scooby-Doo #1, The Jetsons #1, and a special Hanna-Barbera Presents #1: Wacky Races!

But you don't have to wait until then. We've got more than enough comics coming out this month to keep you occupied: Casper the Friendly Ghost, Hot Stuff, Richie Rich, Tom & Jerry, and Pink Panther ! (And that's not even half of them!)

You know, some people might have thought I was silly to use this satellite, but I think it's working out quite well. As a matter of fact, I think I might use it for everything-sending our comics, writing letters to grandma ***TRANSMISSION INTERRUPTED *** UNEXPECTED METEOR SHOWERS *** TRANSMISSION INTERRUPTED *** UN— WE NOW RESUME NORMAL TRANSMISSON —and even paying my taxes. What do you think? Sound like a good idea? Be good, keep reading, and I'll see you next month!

and we get letters...

Dear Baby Huey,
You are my favorite Harvey Character. My two favorite stories are "The Baby Sitter" and "The Monster Sale." I like to read your comics a lot because you are so very funny. My name is Teresa. I am eight years old. Me and my mom love to read your comics. What is your favorite kind of sandwich? Is it bacon? I like bacon sandwiches. Do you go to school? I am in grade three. Will you write this on the back of a Baby Huey Comic?
Your #1 fan, Teresa Bulschak
Russell, Manitoba, Canada

Dear Teresa,
Oh, boy! Oh, boy! I got another fan letter, and it's from a girl with such a pretty name! I like your name, Teresa, and I especially like sandwiches! I like sandwiches with pickles and cheese and mustard and lettuce and of course—bacon! Sometimes I make my sandwiches so tall that I have to push down on its top to make it small enough to fit in mouth! But the last time a I make a sandwich, Teresa, I made too tall! When I pushed down its top, it exploded all over the kitchen! From now on, Teresa, Papa says I have to let Mama make my sandwiches.

Dear Little Dot,
I have four of your comics, and so far, I think you are the best! My favorite color is blue. I absolutely love to read books. What is your favorite thing to do?
Your friend, Kimberlee Jensen
Fielding, UT

Dear Kimberlee,
Blue is one of my favorite colors too, Kimberlee, then again, I like just about any color—as long as it's on a dot! When I'm not collecting dots, one of my favorite things to do, just like you, is read books! I have big books and little books, but my favorite book is a round-shaped book! And as you might have guessed, Kimberlee, my round-shaped book is a book about dots!

Your friend, Little Dot
Dear Richie Rich,
I think you should tach Reggie a lesson by getting the Professor to build a robot just like Reggie, only meaner, and send it to his house. I used to read a lot of other comics, but now, I only read yours. Whenever I find a comic of you, I'll sit down on the floor and read it! I think you should get Reggie and Mayda together. She might like him! I bet if you and Gloria got married, you would buy the biggest diamond ring ever! .
Your #1 fan, Jatanna Clifton

Dear Jatanna
Having Professor Keenbean build a Reggie robot is a great idea, Jatanna, that way Reggie would finally get a taste of his own medicine! In fact, Jatanna, as soon as Professor Keenbean heard your idea he starting building the robot, and he just now completed it! Professor Keanbean is a great inventor, but sometimes his inventions are too perfect, Jatanna! The Reggie robot is so much like the real Reggie that we can't get it to behave! And now, Jatanna, we have two Reggies on our hands!
Your friend, Richie Rich

Dear Hotstuff,
You are the coolist, reddest comic book character. I got my first comic book of you on November 3, 1993. Why don't you listen to Princess Charma? Do you have a comic book collection?
Your friend, Ashlie Ros
Naperville, IL

Dear Ashlie,
I don't mind being the reddest comic book character, Ashlie, but instead of being the coolist, how about making me the hottest! Princess Charma may be one of my best friends, but this little devil doesn't listen to anybody! Maybe that's why I always find myself in big trouble! Princess Charma always tells me not to tease the volcano people, but I just couldn't help giving the funnly-looking one with a beard a hot foot! How was I to know he was my Uncle Smedly? To answer your last question, Ashlie, I do have a comic book collection, but the only comic book I like to collect is Hot Stuff!
Your pal, Hotstuff

Dear Casper,
I like it that you are so nice to people. Who's your best friend? Mine is Jessica DeWeerd. I would like to ask you some questions, like why does the Ghostly Trio like to "boo" and you don't? Do you like any girls? I like you a lot Casper.
Sincerely, Nicole Brugger, age 9
Holland, MI

Dear Nicole,
To answer two of your questions at once, Nicole, one of my best friends is Wendy the good little witch, and she's a girl! To answer your other question, I don't like to "boo" because that wouldn't be very nice and then nobody would want to be my friend! As you might have notice, the Ghostly Trio don't have any friends, and it's all because of their awful "booing." The funny thing is, Nicole, the Ghostly Trio keep scratching their heads and wondering why I get so many fan letters, and they don't get any!
Your friend, Casper
